Message from the Tutorial Chairs

This volume contains the abstracts of the ACL 2018 tutorials. Tutorials were selected from 49 submissions to a joint call, which was coordinated with NAACL, COLING, and EMNLP. From these submissions, eight half-day tutorials were selected for ACL, on the criteria of quality, relevance, interest, and balance. We thank Mausam for coordinating this process across all four conferences, and we wish to acknowledge support from the publications chairs Kevin Gimpel, Shay Cohen, and Wei Lu (ACL publications chairs) and Jey Han Lau and Trevor Cohn (ACL handbook chairs), as well as Stephanie Lukin (NAACL publications co-chair). Most importantly, we thank the tutorial presenters for their contributions, which we hope that you will enjoy.
